### What to expect

An incredible week with a small group of women, beginning in Paris, where we'll stay in a charming boutique hotel in the city center. We will join local guides for walking tours of the Latin Quarter and the Musée d'Orsay, dine in an iconic Paris restaurant, and learn to make crepes with a chef. From there the group will travel to the Loire Valley where we'll enjoy vineyard visits & wine tastings, homemade local cuisine, and a visit to the Loire Valley's most beautiful castle, Chateau Chenonceau, before returning to Paris for a special dinner on the last night of our tour.

One Street Over Travel's thoughtful itinerary includes a mix of group activities and free time to relax and explore on your own, so you never feel pressured or rushed. What you *can* expect is exceptional food and wine, inspiring art, stunning landscapes, and the company of other extraordinary women!
